About This Game

In the early 1900s, humanity eagerly predicted a technological future. As society progressed ever more, humanity became a space-faring civilization. The year is 2017 and the vast universe is in your grasp. Experience a vast, infinite, randomly generated universe full of planets for you to explore. Encounter a variety of aliens and help them with their quests or defeat them. Earn Star Shekels, upgrade your player and ship, and become a powerful force to be reckoned with in the *Spacefarers!* universe.

Features:

- A multitude of different planet types to explore.
 - Each planet is randomized and infinite, creating a diverse and unique gameplay experience.
 - 23 base alien types with additional quest-based aliens that the player may encounter and defeat.
 - Earn Star Shekels by defeating aliens, alien ships, selling items, and completing quests.
 - A functional inventory to hoard lots of loot (or sell it for Star Shekels).
 - Unique ship-to-ship combat in the open universe.
 - A variety of weapons and armors to buy in order to upgrade and customize the player.
 - Unique gadgets to engineer the battlefield to the player's advantage and defeat many enemies.
 - Beautiful music and artwork unique to the *Spacefarers!* experience.
- Traverse into the stars and fall in love with the universe at your hands.

Quit

Quits the game. You'll be given the choice between returning to the title screen (with a different game if you wish), or shutting down the whole game. Be sure to save your progress before quitting.

Cast

Sidni Larkhearst

The game's protagonist is a young, bubbly, innocent teenager. She lives a simple life with her mother, but then when vampires attack her home, her life is changed forever. She has a decent attack and defense. As the game progresses, she learns various abilities which are very useful in battle.
