The film stars Harvey Keitel, Juliette Lewis, Tim Roth, Danny Trejo, Christopher Walken and Anthony Michael Hall. It was released on August 26, 1996, by Miramax Films. The film was positively received by critics and grossed over \$18 million domestically. Plot In Arizona, two drug cartels compete for control of the border region. As he seeks refuge in an all-night diner, Arturo is mistaken for a Mexican border agent and arrested by the diner owner, Sheriff Arthur J. Hardy (Tim Roth). Jealous of the Sheriff, Carl Fogarty tracks Arturo to the diner and frees him. Sheriff Hardy, who secretly drinks heavily, immediately becomes Arturo's ally and helps him kill Fogarty and take over the rival drug cartel. Arturo's half-brother, "Poncho" Arturo Braga, arrives from Mexico with an army of Mexican bandits, called Zodiac, to help Arturo take over the criminal underworld. The Sheriff's wife, Gloria (Juliette Lewis), has a secret affair with Arturo. Poncho and Gloria's daughter, Heather (Kathleen Robertson), is attracted to Arturo, who protects her from bullying by her father's henchmen and other villagers.
